

December 2023

Thank you for your continued support in 2023!

This year we've shared many stories of patients and families who are grateful for the services we provide - services that you help make possible!

People like Kathleen Leonard, who survived sudden cardiac arrest.

Like John Ogden, who survived an Easter Sunday scare.

Like Lindsay Aratari and family, welcoming baby Serafina in an unexpected way.

With 2024 on the horizon, we send our best wishes for a safe, healthy, and happy holiday season. We will remain ***"Always There. Ever Prepared."***
